Declaration of commitment of National Institute of Research Development for Biological Sciences to the principles of the recommendation of the European Commission on the “European Charter for Researchers” and “The Code of Conduct for the Recruitment Researchers”

The National Institute of Research Development for Biological Sciences - NIRDBS, Bucharest, Romania, having examined the general principles contained in the Commission Recommendation of 11 March 2005 on the “*European Charter for Researchers*” and “*Code of conduct for the recruitment of Researchers*”, hereby expresses its full support to this Recommendation.

Many aspects of *The Charter* and *The Code*, have already been implemented within NIRDBS and the Institute will begin to implement immediately those elements of *The Charter* and *The Code* that have not yet been realized within NIRDBS.

By subscribing to *The Charter* and *The Code*, The National Institute of Research Development for Biological Sciences, intends to create an adequate framework to its researchers, in order to enhance high quality of research and to contribute to the realisation of a strong European Research Area.

Signed in Bucharest, 22 November 2011
